

# *virtual* volunteer opportunities

*During this time of staying at home, there are still great ways to support the Habitat Cabarrus Mission. And you can have fun while doing it!*

*Here are just a few ways you can help staying close to home!*

» **Write a note of encouragement to our homeowners in progress. Share your good wishes or your favorite motivational quote.**

» **Habitat for Humanity is known for building houses in partnership with families in need of a decent, affordable home. We also work hard to strengthen communities worldwide. This family-friendly game of bingo allows you to get outside, get some exercise and see your community though a new lens.**

» **Organize a collection of household ReStore donation items in your neighborhood. Click here for items we are able to accept.**

» ***You don't have to swing a hammer to help build a house!* Plan a workday to volunteer at the ReStore (age 18 and over). Habitat Cabarrus ReStore is our largest single source of funding.**
